This portion of the evening is a chance for your guests to choose their favorite dance songs and participate actively in the evening. We DO NOT accept Must play lists or DO NOT play lists. We do play as many requests as we can fit into a four hour dance. The following section allows us a chance to understand what your guests may wish to hear along with your favorites in advance.

(Ethnic, Big Band, Country, etc.)

Are there any songs that you would like the DJ to avoid playing?
(songs from funerals, previous relationships etc.)

Do you have any special games or fun songs that you would like played?
(Macarena, Bird Dance, Line Dances, Limbo, Kidnapping of Bride/Groom, etc.)

Requests: Please note that although we have a vast library some artists or songs are not available to us. We ask that if you have specific hard to find requests that you contact our office by phone. Hear...by request also reserves the right to not play certain songs or honour requests that may be considered offensive by your guests.

IMPORTANT: If you have a guest wishing to sing at your event, they are welcome to our microphone. If they have accompanying music, it must be received in MP3 format with proper song tags, no later than 15 days in advance to: music@hearbyrequest.com

KISSING JEOPARDY GAME GUIDELINES

For Kissing Jeopardy you will want to have approximately 25 questions ready for your DJ. They may be funny questions (about personal incidents that may have happened), serious, informative (such as combined birth weights of Bride and Groom), or not even totally related to the topic of marriage (such as sports trivia). The way the game works is the people must approach the DJ and they will be asked a question. If the answer is right, then the Bride and Groom kiss. If the question is answered incorrectly, then the person shall return to their table and everyone at that table must stand and kiss.
